

THE CPO POWERED BY PROCURIOUS BREAKFAST

**ADDING VALUE IN THE COMPLIANCE ARENA | TECHNOLOGY & TEAM IN ACTION**

**Wednesday 9 June 2021**

Virtual event on the Procurious Platform

07.55	<b>Delegates log on to the event page on Procurious where "Join with Zoom" will activate at 08.00</b>
08.00	<p><b>Welcome by Roundtable Chair, Helen Mackenzie</b></p> <ul style="list-style-type: none"> <li>▪ Agenda Overview</li> <li>▪ Rules of play for making the most of the event</li> </ul>
08.05	<p><b>The Freshly Squeezed Share</b></p> <p>An important part of our Roundtable ethos is to build relationships and a peer-support network for our senior leaders. By sharing specific challenges or successes with each other in our quick-fire share session, we can identify ways to support each other. We'll consider the following questions:</p> <ul style="list-style-type: none"> <li>▪ How has your team worked well during the pandemic period?</li> <li>▪ What have you learnt that you can share?</li> </ul>
8.35	<p><b>The Most Important Meal of the Day   Compliance in 2021, delivering for the business</b></p> <p>Complying with regulation is always a challenge particularly in financial services. And with requirements to delve deeper into outsourced services and supply chains increasing it's an on-going challenge for procurement to stay ahead.</p> <p>For our main course we welcome Stephen Cleminson, Alliances Director at Ivalua to help us consider how we can balance the role of business partner with one that needs to demonstrate compliance, particularly when the use of new technology like AI comes into play.</p>
9.05	<b>Croissants and conversation</b> Pause for refreshments and relaxed informal networking

<p><b>9.25</b></p>	<p><b>The final perk-me up   Engaging all your brains – female or male, how to get the best out of your team</b></p> <p>We'll end the event thinking about compliance and whether one gender handles this task better than the other with Kate Lanz, the founder and CEO of Mindbridge, a UK-based global leadership company specializing in the power of modern neuroscience and releasing latent brain potential. Kate will unpack the engendered brain concept and make the case that utilising all the brains in our teams can be the key to success for delivering value for the business whether it's ensuring compliance or sourcing innovation.</p>
<p><b>09.45</b></p>	<p><b>Wrap Up and Close</b></p> <p>Helen Mackenzie will draw the event to a close and summarise key insights and take-aways.</p>
<p><b>09.50</b></p>	<p><b>Breakfast ends</b></p>
